

TUSCANY

WARM UP YOUR OUTDOOR SPACE MEDITERRANEAN STYLE

Live up a dreary garden with a touch of the Tuscan outdoors. With its vibrant shades and bright appearance, Tuscany paving is the perfect way to add a touch of Mediterranean warmth to your outdoor space. Incorporating distinctive veining and featuring an irregular pitted surface, this attractive paving is reminiscent of the look and feel of natural travertine. Tuscany is also an ideal choice for edge steps, borders and stepping stones.
